

Opportunity Profile

Confidential CEO

THE POSITION

The **Chief Executive Officer (CEO)** will partner closely with the Board of Directors to raise and manage capital, steward investments, and ensure financial discipline that enables long-term prosperity. This is a unique opportunity to lead an investment-focused organization at a pivotal stage of development, where long-term success will be built on strategic vision, sound financial stewardship, and the ability to deliver tangible results.

An ideal CEO will be a strategic builder; someone with the financial expertise to attract and manage capital effectively, paired with the foresight to lay the foundation for enduring success. Entrepreneurial in approach, this leader will bring the energy of a start-up while applying disciplined investment and governance practices, working as a trusted partner to the Board and cultivating strong relationships with investors and stakeholders to deliver both financial performance and lasting impact.

Key Responsibilities:

- **Capital Growth & Stewardship:** Raise, manage, and deploy capital to enable sustainable prosperity.
- **Strategic Leadership:** Establish the foundation for long-term success through clear vision and disciplined execution.
- **Investment Oversight:** Identify and advance aligned opportunities, ensuring due diligence and sound portfolio performance
- **Governance & Accountability:** Provide transparent reporting and risk management in partnership with the Board.
- **Relational Leadership:** Build and maintain credibility with investors, partners, and key stakeholders.

THE PERSON

- Experienced executive with a track record in capital raising, investment management, or corporate development.
- Proven ability to grow and steward capital effectively.
- Strategic thinker with demonstrated success in laying the groundwork for growth.
- Strong financial acumen and transactional expertise.
- Skilled relationship-builder, with credibility among boards, investors, and partners.
- Strategic thinker with entrepreneurial orientation with the ability to drive a dynamic and evolving mandate.
- Post-secondary degree in Business, Finance, Economics, or related; advanced credentials (MBA, CFA, IFM, etc.) considered an asset.

COMPENSATION

A competitive compensation package will be provided, including an attractive base salary and excellent benefits. Further details will be discussed in a personal interview.
